Technical Data Sheet

Rapid Mould Killer

Updated
11/10/2010

DESCRIPTION

Rapid Mould Killer is a fast acting mould killer in a convenient, easy to use trigger pack. It contains powerful ingredients which destroy mould and mildew fast and its detergent additive removes soap residue, leaving tiles and grouting clean.

SIZES AVAILABLE

Rapid Mould Killer is available in a 500mL trigger pack.

USES

Rapid Mould Killer is suitable for use on:-

- Grout (test for colour fastness on coloured grout);
- Ceramic Tiles*;
- Shower Curtains;
- Rubber bath mats; and
- Exterior mould and other mould affected areas.

*Note: On some matt finish tiles or in hard water areas, staining may occur. Patch test first on an inconspicuous area. If staining occurs, rinse well and apply hydrogen peroxide to the affected area.

TECHNICAL FEATURES

- Sodium hypochlorite based
- Kills mould and mildew.
- Removes soap residue.
- Foaming trigger pack.
- Low fumes.

TECHNICAL DETAILS	
Appearance:	Clear yellow liquid with characteristic chlorine odour.
Available Chlorine:	3.5%
pH:	12.5

HOW TO USE

Check for colour fastness before use. Patch test first on inconspicuous area. Use in well ventilated area.

- Remove plastic tab inside nozzle before using. For lower fumes, close nozzle flap.
- Spray affected areas.
- Leave for 5 minutes.
- Rinse well. For stubborn stains, leave for a longer period (or a second application may be required) and wipe over with a damp sponge before rinsing. For heavy soap scum build up, scrubbing with a brush may be required.
- Replace plastic tab and close nozzle after use to prevent leakage. Protective gloves and eye protection are recommended.

Note: Ensure that floor surfaces are well rinsed after using Rapid Mould Killer as they may be slippery.

LIMITATIONS

Test for colour fastness before use. Patch test on an inconspicuous area.

Rapid Mould Killer is unsuitable for use on:-

- Fabric as bleaching will occur (if spilt, rinse immediately);
- Mirror tiles;
- Metallic surfaces;
- Older baths and basins; and
- Unsound painted surfaces.

DO NOT mix Rapid Mould Killer with other household chemicals or cleaners.
